Blossom Arts and Science College
Kondotty, Malappuram

UNION INAUGURATION 2025

TARIFF CARD

Organized by Students Union 2025-26 Blossom Arts And Science College Kondotty

About The Event

The Students Union Inauguration 2025 –26 at Blossom Arts & Science College, Kondotty is a significant campus event that introduces the newly elected student union and outlines its vision for the academic year. The programme reflects student leadership, unity, and active participation across the college community.

Designed as a celebratory gathering, the inauguration combines formal proceedings with musical and festive programmes, attracting a large student audience and invited guests. With strong on-campus participation and digital engagement, the event provides an ideal platform for brands to connect with a young and vibrant audience. It symbolizes the launch of a vibrant era of student leadership, artistic expression, and cultural celebration on campus.

Programme Schedule

2025 December 23
Tuesday / **10 AM** to 03:30 PM

10:00 AM – 11:00 AM Inauguration Ceremony

The formal opening of the Students' Union Inauguration, featuring official proceedings, key announcements, and the presence of distinguished political guests. This high-profile session draws complete audience attention and sets the tone for the entire event, making it an ideal platform for premium brand visibility, stage-level recognition, and association with influential leadership.

11:00 AM – 12:30 PM Musical Events

A high-energy musical session designed to engage and entertain the student crowd. With strong audience participation and social media activity, this segment offers excellent opportunities for digital branding, stage mentions, and visual promotions

---

01:30 PM – 03:30 PM Christmas Programme

A festive and cultural celebration featuring themed performances and student participation. This session ensures maximum crowd presence and emotional engagement, providing sponsors with extended brand exposure, recall, and association with a joyful campus celebration
